# Year 10 clock on for work

Year 10 Work Experience has once again proved to be a great success, writes Head of Year 10, Ms Baker.

Our students developed a wider range of skills, including teamwork and communication, in addition to confidence building, which has been apparent upon their return to school.

The students are to be congratulated for being excellent ambassadors for the College. It is especially pleasing to hear about the large number of students who gained part-time employment as a result of their efforts and hard work. Employers have been very complimentary in their feedback following work experience and I hope the students look back on this experience with fond memories for many years to come.

Our pictures, from top left down, show; Tom Priestley, Tim Hodgson, and Declan Judge (all 10A) at the Plaza Community Cinema; Molly Swift (10E) and Olivia Doyle (10R) at Lip Couture; Hannah Wills (10A) at Hearts Health Club; Emma Withell (10D) and Megan Howard (10S) at Great Crosby Catholic Primary School.
