College Samba Band score a World Cup winner

Youngsters at Great Crosby Primary School went World Cup crazy recently as the Sacred Heart Samba Band brought a taste of Brazil to their lessons.

The talented musicians got everyone in the footballing swing by performing their very own opening ceremony on the playground.

Music teacher, Mrs Morison, explains more about the event: "Each class in Great Crosby, infants and juniors, was representing a different country and dressed in those colours with the appropriate flags of the nation. There were speeches from pupils and the Deputy Head, Mrs Buckton.

"We started with a World Cup-inspired piece, using trumpet, as well as the traditional samba drums for the first time to really set the mood. Each class had a mascot who came up with their flag and then they had photos taken holding a mock World Cup with our students too. When the speeches finished, we played them out as they marched back to their classes.

"The Samba band was expertly lead by Sam D'Auvin (13C) with drum solos by Ethan Snow (9S) and Dylan Spiers (12C) on the trumpet, along with students from Years 7-9, and Years 12 and 13."

Y10 visit Liverpool waterfront

Year 10 Geography students enjoyed a trip to Liverpool's waterfront recently as part of their controlled assessment. They completed activities including mapping tourist facilities and carrying out questionnaires with both locals and tourists. The students obtained the data required to complete their assessment.

News in brief

Morning Eucharistic Services take place at Upper Site tomorrow and at Lower Site on Thursday. Good luck to those students involved at the Athletics at Wavertree today and tomorrow. The ICT trip to London leaves on Wednesday and the Year 11 Prom takes place on Friday.

Choir provide music for carers

The College's Chamber Choir were the special guests for carers in Sefton recently.

The talented singers were invited to perform in front of the Mayor and Mayoress of Sefton at the Sefton Carers event, held at the Lakeside venue, on June 11. Head of Music, Mr Foy, said: "Our students entertained the audience with some fine singing and then helped Miss Maguire in leading a singing workshop for those present. Once again, our students performed brilliantly and were a credit to the College."

Primary movers get taste of life at Sacred Heart

When the students start looking younger, it is a sure sign you are feeling older. However, staff and students could have been forgiven for thinking that recently as Year 5 pupils from our partner primary schools visited the College

The youngsters, from Great Crosby, Ursuline and St Edmund's & St Thomas' schools were at the College to see what, potentially, lies ahead once they are ready for big school.

The day proved to be a great success, as three of the youngsters explain.

Caitlin, from Great Crosby, said: "I went to Sacred Heart and watched students dancing, singing, acting and listening to teachers talk about school life.

"My favourite activity was the High School Musical dance; because all the dancers in it were absolutely amazing. I also enjoyed seeing the dancers working together to make sure everyone was involved.

"Afterwards, I was lucky enough to have my sister show me around Lower Site. I enjoyed Science, where I got to make a bottle pop, it was very exciting.

"I also enjoyed getting to talk to the teachers and learning about the things they do in their lessons. Everything at

Sacred Heart was exciting and I hope I get to do something like that again. "Everyone who performed in the show was brilliant and the students were very talented."

Charlotte, from St Edmund's & St Thomas', added: "When I visited Sacred Heart, it was fun to see all the lessons. I liked it when we got to walk around and I got to do all different activities.

"I liked it when we got to see the dancing and the drama in the Hall, it was really

good. I cannot wait to come to Sacred Heart because I had such a good time."

Amelia, from Ursuline, said: "I enjoyed going to Sacred Heart. I liked the Gym and Dance displays. The Climbing Wall was amazing. The PE and sport was great, especially the tennis.

"I also liked the Drama, which was very mysterious. When I am in Year 7, I hope to come here and experience all the lovely and enjoyable activities that I saw. Thank you for a great afternoon."
