Let's dance

Around 300 people packed into St Edward Hall last month to see the annual Gym & Dance display, writes Head of PE, Mrs Hewlett.

This year's event was the biggest yet, with more people taking part than ever before.

A number of our older girls had chosen dance and choreography as part of their A Level or GCSE examination and had been moder-

ated on their particular dances. We also had boys dancing for us and all year groups were represented.

The students had to come up with their own ideas for a dance and the style of dances ranged from modern to jazz, ballet, tap and Irish Dancing. It was a fantastic event, the students worked really hard and deserve enormous credit.

News in brief

Congratulations to the U19s football team who won the Merseyside Senior Shield on Wednesday.

The boys beat Liverpool FC Foundation School 4-2 in the Final at Everton Football Club's Finch Farm training complex on Wednesday. Photos and a report will follow next week.

Year 11 farewell comes straight from the heart

Year 11 students bid a fond farewell on Friday as they completed their final lessons ahead of their GCSE examinations. Ahead of signing off last week they gathered for the traditional goodbye photograph around the heart-shaped fauna at the front of the College. Head of Year 11, Ms Baker, said: "It has been a pleasure to work with them and I wish them every success in their forthcoming examinations."

Cafod cash in on College's fundraising activities

Cafod are set to receive more than £1,800 following a series of fundraising activities by our kind-hearted students. A grand total of £1,817 was raised after students dug deep by raising money through a number of activities, ranging from, a trip to the Plaza cinema, a collection of slummy money, a Rich Man, Poor Man meal and donations at last month's

Gym and Dance display (see p1). Among those overseeing the charity work was Head of Year 9, Miss Clark. She said: "This was a massive collaborative, community effort and will make a big difference to the lives of those living in poverty." Students, in Form Houses, lined up their collection of slummy to see who made

the longest line of coins. The winners were Form House 7-13A. Our photos show students at the Rich Man Poor Man meal and, far right, students with one of the lines of coins in the school yard. Cafod is the official aid agency of the Catholic Church in England and Wales. This term's charity is SVP.
