Paris match for our nifty netballing naturals

Last month saw our netball teams take their undoubted talents across the Channel as they took part in a Parisian Netball Tournament. Following yet another hugely successful season, our girls travelled south, where they would not only play a host of games from teams from France and the UK, but also get to meet up with some of the best in the business in the shape of England Netball players, Kadeen Corbin and Ama Agbeze, who were also on hand for presentation duties. Both our A & B netball teams worked incredibly hard and not only finished a very creditable 7th in the tournament, they were presented with the Spirit of the Game award, that is given to the team that shows fair play, etiquette and good sportsmanship. Our girls were nominated by the umpires, organisers and the England players.

It's a clean sweep for our champion netball teams

Congratulations to all of the College's netball teams after they enjoyed a trophy-laden year.

Every single year group from 7 to 11 claimed silverware, with four out of five of our teams claiming League and Tournament doubles, the fifth team, Year 10, finishing League winners and Tournament runners-up.

Head of PE, Mrs Hewlett, said: "All the girls from all the teams are such a delight to work with and coach. This has been a fantastic season, the girls have been outstanding and are a credit to our department and College."
