## On your marks... for sportsday

Earlier this month, our students took time out of the classroom to enjoy their annual end of year Sportsdays. Set over two days, our young athletes raced, hopped, skipped and jumped into action as they took part in numerous track and field events. PE's Mrs Hewlett said: "The two days were great fun, enjoyed by staff, students and onlooking parents."

# Hall of beauty

The College's Prep Hall was packed to the rafters earlier this month, as the annual Art & Design Technology Exhibition took place. As our pictures demonstrate, the exhibition displayed some truly amazing work from GCSE, A Level and Btec students. Among the event organisers was Mrs Hannigan. She said: "Once again, our students have not disappointed. The standard of work is as high as ever and it has been a privilege to watch the students build up such impressive portfolios of work."
