## Students show they have a big heart on charity walk

Back in July, our big-hearted students swapped their books for the beach, as they embarked on a sponsored walk, writes *RE's Mrs Laybourne*.

More than 400 students and staff took part in the charity ramble as part of an activity day to raise funds for the Mental Health charity, Imagine. The walk saw our active youngsters

set off from Lower Site before heading to Crosby Beach. Upon their arrival, the students donned red tee shirts and took part in a number of activities including football and beach volleyball, which were organised by the PE staff. To end what was a very successful day, the Year 7 and 8 students created the 'Heart of Crosby' on the beach.

Following the event, Mayor Mr Ian Brodie-Browne visited our Year 7 & 8 students at Lower Site and delivered an interesting and informative talk on young people and mental health. A cheque for £1,000 was then presented to representatives from Imagine, who are pictured (below) outside their Liverpool office with the donation.

### News in brief

Year 10 Information Evening takes place at 6pm tomorrow in St Edward Hall. There is a Joint Schools Mass in the Chapel on Wednesday starting at 3.45pm. On Thursday, there is a meeting in the Drama Studio at 6.30pm for the parents of those students going on the New York trip. Also on Thursday, the Year 12 trip to Oxford departs, returning the following day. Sacred Heart turns 40 this year and, later this month, there is a special event to mark the occasion. For more details, visit our website (address below). Further information will also be available in future issues of Heartbeat.

# Students can be ‘proud of their exam achievements’

Our A Level students celebrated excellent examination results over the summer.

Their hard work has reaped the rewards and has been praised by Mr Walker.

He said: “We are very proud of the achievements of this summer’s A Level students, who have maintained the high standards set at the College in recent years.

“This group of young people will be going all over the country, to excellent universities, including Oxbridge, to continue their studies and set out on their future careers.

“Through their hard work, the dedication of the staff and the support of their families, we are able to congratulate this year group on some wonderful achievements.

“We wish them all every success in their future endeavours.”
