

Ten out of ten for theatre company's lessons in life

Our students learned some valuable life lessons last month as they were visited by the Ten Ten Theatre Company. The company, formed in 2007, deliver sessions to schoolchildren around Personal Education (PSE) issues.

This year, the sessions were called 'Facts of Life' and explored the story of a girl who had started at a new school because her family circumstances had changed.

Overseeing the event was Mrs Campbell. She said: "The Christian messages they bring to the students are the same as those we give them every day. Messages of self-esteem, self-worth, responsibility and the love of God.

"The film clips were discussed and the themes developed with the students by Ten Ten Theatre staff.

"The students were highly engaged throughout the performances and the feedback I have received from them, from Year 7 right through to Year 13, has been excellent."

Students stick their oars in on rowing challenge

Congratulations to Kieran Vis and Elliott Knifton who are the winners of the Charity Rowing Challenge that took place in December.

Our kind-hearted staff and pupils have helped raise more than £100 for SVP courtesy of their back-breaking exertions.

Participants paid a suggested £1 donation to enter the competition, of which there were two categories; 500m and 2,000m. The top three finishers from each category were then entered into a prize draw. Kieran (1st place) won the 500m prize draw and Elliott (2nd place) won the 2,000m event, both winning vouchers to spend at Liverpool One.

Despite Ms Connor achieving the fastest time in the staff category, it was Mrs Weekes (3rd place) who won the prize draw with a great effort.

Kieran said: "I enjoyed taking part because the money raised has gone to a great cause. It also feels good to win."

Kieran and Elliott are pictured after receiving their vouchers.

We've got that winning feeling

Congratulations, also, to our Year 10 netball team after they recently won the U15s Liverpool Schools' County Round, writes PE's Mrs Mee.

The Year 10 team will now complete in the County Finals next month. Year 9 (pictured. inset) came 3rd, ensuring they will also go through to the County Finals. Well done girls, a fantastic win and a great day. Such a pleasure as always.
