

Top marks for GCSE students

Congratulations to two of our new Sixth Form students after they recorded record breaking exam results. Sean Chandler and Louisa Trivett scored a remarkable 19 Grade 9s between them in their GCSE results, which ranks the pair in the top 0.01% of every GCSE pupil who took their exams this summer.

The dynamic duo have now returned to the College's Sixth Form, where Sean will study Maths, Chemistry, Biology and English. Louisa, meanwhile, will take up Maths, Chemistry and French.

A delighted Mr Walker said: "Sean and Louisa's feats are amazing and come about as result of exceptional natural ability, allied to old fashioned hard work in a strong academic environment.

"I have no doubt they are about to do great things at Sacred Heart and then in the world after school.

"I am absolutely delighted to pass on my congratulations to all of our Year 11 students on their results.

"The efforts of our pupils, parents and

staff have resulted in some fantastic outcomes this year."

Students from our Sixth Form also celebrated their A-Level results last month.

Mr Walker added: "We are very proud of the achievements of our Year 13 students who have maintained the high standards set at the College in recent years.

"This group of young people contains many who will be going all over the country to excellent universities, including Oxbridge, to continue their studies. Others will be moving into the world of work to begin important and fulfilling careers.

"Amongst all of these congratulations, I know the Year Group will want me to remember former classmate Jack Riding, who so tragically passed away recently.

"All in the group have been thinking of him and his family at this sad time."

Welcome back

Welcome back everybody.

I hope you have had a good break over the summer and are ready for the new year - a very warm welcome especially to all of our Year 7 pupils and to those new to the College in the different years. I am looking forward to working with you.

There are plenty of new and exciting things for you to get involved in this term, so please make sure you speak with your Form Tutor about all the things that go on outside of lessons, as well as how you can get help with your work. We will get details to you in Assembly and in Form Time about what you can expect to be going on this term, and also about what I need from you to make things work smoothly for us all.

Don't forget to check out the website and our Twitter account

@SacredHrtCrosby for up-to-date news and information about the College and the many things we are involved in.

I will also be asking you shortly to think about how we can get information and news to you quickly so that more of you can help me in making the important decisions that affect us all.

Good luck for the year and remember to play your full part in our College community. Everyone has a role to play.

Mr Walker

Head over heels to be back

Back in July, our students took time out of the classroom to enjoy the annual end of year Sportsday.

Our pictures show students from Years 7-11 racing, hopping, and jumping into action as they took part in numerous track and field events.

PE's Mr O'Malley said: "The two days were great fun, enjoyed by staff, students and onlooking parents."

News in brief

Welcome back to the first Heartbeat of the new school year.

On Wednesday, at 3pm, we have the annual Crosby Schools' Mass in the Chapel and, at 6pm, there is the Y11 Information Evening. On Thursday, there is the A-Level Presentation Evening in St Edward Hall from 7pm.

Open Evening

Sacred Heart Catholic College

Monday 24th September 2018

at 6.00pm at Upper Site.

Liverpool Road, Crosby L23 5TF
