

## Students honoured at Presentation Evening

Last Monday saw the annual Presentation Evening for the current Year 12, *writes Director of Middle School, Miss Clarke.*

The evening provided students, along with their families and staff, an opportunity to celebrate the achievements in their GCSE results.

As tradition, we had addresses from Louise Fraser, on behalf of the Governors, Mr Walker, Charlie Rannard, Head Boy and Niamh Foy, Head Girl.

Our guests were then treated to musical interludes from Bethany Malone and Sadie Law, with accompaniment from Mr Foy (Head of Music) on piano.

Then it was down to the main event, the presentation of awards and special prizes.

### Achievements

Those who were recognised for their achievements included Sean Chandler for Exceptional Performance at GCSE (all passes at Grade 9) and Louisa Trivett, Ethan O'Shaughnessy and Charlotte Graham for Outstanding Performance at GCSE (all passes at Grade 8/9)

Others awards included, Adam Boyle for 100% Attendance 2013-2018, Ben Edmunds was presented with the PTA Award, whilst Lola Berni received the Kathryn O'Hare Memorial Shield (Community Service).

Meanwhile, Emily Hogan received the Christine Wallis Trophy (Journey to achieve potential).

A host of subject and personal achievement prizes were also awarded to students in recognition of their success.

It was a fantastic evening and wonderful for students to celebrate their successes.

We are extremely proud of the achievements of this year group and wish them continued success in their forthcoming endeavours, which we look forward to hearing about.

# Carol concert in aid of Isabel

Sacred Heart is presenting a Christmas Carol Concert at Liverpool Metropolitan Cathedral on December 19.

The College choirs, including a newly-formed staff choir, will be joined by choirs from our partner primary schools as well as St Edmund's Church Choir and the St Nicholas' Singers, who both boast very strong connections with the College.

The biggest ensemble of the evening will be our Former Sacred Heart Choir, where around 70 former staff and students will perform, as they show their love and support for our Music teacher, Isabel Morison (pictured above at a recent charity football match, organised on her behalf).

## Important

Mr Walker said: "You will no doubt be aware of Isabel's fight against Grade 4 Glioblastoma and her need to raise £200,000 in order to fund further treatment.

"This event will be a very important way of bringing the community together to thank Isabel for her many years of selfless devotion and to help raise money for this very necessary treatment.

"We do hope you will be able to support this event and bring family and friends along."

Tickets are available in advance at Reception on both sites for reserved seating, or at the door on the evening for general seating. The concert starts at 7pm.

## News in brief

There are mock examinations this week for students in Years 11-13.

Year 11 will also take part in mock interviews tomorrow and Wednesday.

There are Science transition lessons at Ursuline on Tuesday and Thursday, whilst, on Wednesday, there are A Level masterclasses at the JMU Campus.
