## Year 13 have a ball in Formby

On Friday evening, Formby Hall was the venue for the glitzy Year 13 Leavers' ball. The pupils had a three-course meal and had a well-earned chance to let their hair down during the stressful revision period as they approach this summer's exams. Ms Baker said: "This was a lovely evening and we were really grateful to all the staff at Formby Hall who made this such a wonderful event for staff and pupils alike." She continued "this has been a marvellous year group to work with and we will really miss them in College. They have achieved so much over the past two years and it has been a privilege to work with them and watch them grow into fine young adults. We all wish them the best of luck with their revision. They all deserve to do so well after all of the hard work that they and their teachers have done this year."

# Year 11 Aspiration Afternoon

Year 11 had an afternoon thinking about their future on Friday with presentations from local Vet Anthony Chadwick and consultant from Tick Media, Peter Harvey.

Miss Clarke, Director of Middle School said: "We are so fortunate to have such a well-motivated year group who have such ambitions to do well. They were really grateful to hear from local professionals who gave them a real insight into what they need to do to join these professions."

Also on Friday afternoon Mr Pye gave information to pupils in Year 11 about our new iPad scheme. He said: "We hope to give every pupil in the Sixth Form the opportunity to purchase an iPad through a scheme that we will launch in June. We believe that iPads have the power to change the way that pupils learn and indeed how they think and so this will be an exciting new development for the College." Mr Pye also presented the new 'Silver Sixth Form Card' which pupils will use in a variety of different ways; these will start to be distributed in June as part of our registration process for Sixth Form.

Year 11 pupils also had lunch in our Sixth Form Centre, deli bar and coffee shop during that day as they prepare for life in Year 12 next year.

## Prescot Match in Memory of Jack

Hundreds of people turned out for a charity match in memory of Jack Riding, our former pupil who last year passed away after playing in a five aside football match. Jack's family let the Charity CRY (Cardiac Risk in the Young) do tests on Jack's heart to identify what had caused his sudden death, a cause the family now campaign and raise money for. Jack's family and CRY are now campaigning to get cardiac screening for all young athletes. The match was organised to fundraise for CRY to do more heart screenings in the local community. The game was held at Volair Park, the home of Jack's team Prescot Cables. As well as some of Jack's teachers, it attracted many well-known faces and hundreds of supporters of the campaign. As well as Tony Bellew and David Moyes, Hillsborough campaigner Margaret Aspinall and boxer Liam Smith were in attendance. Mr Robertson, who was at the match said: "Jack is greatly missed by all of us and it was touching that he was able to bring so many people together for this match, CRY do important work raising awareness and fund-raising and this event has helped contribute to both."

Sacred Heart Catholic College

# Sixth Form Enrolment Day

Friday 23rd August 2019  
9am onwards

Sixth Form Centre, Liverpool Road, Crosby, Liverpool, L23 5TF • visit [www.sacredheart.sefton.sch.uk](http://www.sacredheart.sefton.sch.uk)
