

## Matilda Beckett (8T) puts on a gymnastics showcase for 11,000 people

Matilda Beckett (8T) was one of 4 children chosen from the Beth Tweddle Academy of Gymnastics to showcase her talents at the British Gymnastics Championships, at the M&S Arena on Thursday 14th March and Saturday 16th March. The academy has over 7000 gymnasts so this is an amazing achievement. Director of Lower School Mrs Campbell explains that Matilda was chosen not only because of her ability but because of her confidence when performing. She performed in front of crowds of up to 11,000 people over the 2 days. As a result of her conduct on these days along with her dedication and enthusiasm toward the sport, Matilda has now been approached by Beth Tweddle to be trained to become a gymnastics coach. The Beth Tweddle Academy is training her and putting her through her exams with the view that Matilda will be a qualified coach by the age of 15. This training started last Saturday.

# Eva Morgan (12C) Monologue Makes the National Theatre

Eva Morgan (12 C) attended an audition for the National Youth Theatre on Sunday 24<sup>th</sup> March in Birmingham. As part of the day she performed a monologue and took part in a workshop. As part of the workshop Eva had to improvise, devise scenes and show that she could work as part of an ensemble. Six weeks later Eva received an email to say that she had been accepted onto the Junior Summer Course in London. This is an exciting opportunity for Eva who will be living in London for two weeks and taking part in workshops everyday leading to a performance. Writes Mrs Walsh, Head of Drama.

## Unstoppable Together is The NCS Message

The National Citizen Service (NCS) recently visited our Year 11 students to recruit for their forthcoming programme over the summer holidays to engage in community centred activities which are designed to empower young people whilst building confidence and participation in teams.

As Mrs Baker explains, Sacred Heart holds NCS Champion status for our student participation over the years and we look forward to hearing of the NCS success of our Year 11 class of 2019 in September.
