## What's new PE kit...

Our sporting youngsters will look the part this year as they get to enjoy PE in a brand new kit. The smart navy blue kits were chosen by pupils from the Student Council and come in two different designs, one for Years 7-11, the other for our Sixth Form. Available from manufacturers O'Neills, the kits have already proven to be very popular amongst staff and students. PE's Mr O'Malley said: "I really like the new kits. They look very nice and the students seem very happy with them." The new kits can be purchased here; [www.oneills.com/uk\\_en/shop-by-team/education/schools/sacred-heart-catholic-college.html](http://www.oneills.com/uk_en/shop-by-team/education/schools/sacred-heart-catholic-college.html)

## Ava Taylor made to be our first Learner of the Week

Congratulations to Ava Taylor who has become the first recipient of our Learner of the Week award.

Ava (7S) was presented with her certificate by Headteacher, Mr Pye, after impressing her teachers at the start of the new academic year.

The new award recognises students who have shown integrity, respect, attainment, self improvement, resilience, effort, kindness and community spirit.

Speaking about the award, Headteacher, Mr Pye, said: "It is important for us to address the emotions, personality and character of our pupils and we have looked at how to encourage them to become healthy, balanced and well-rounded individuals."

Ava is pictured receiving her award from Mr Pye, along with Mrs Kennedy (left) and Senior Assistant, Headteacher, Mrs Campbell.

# Open Evening goes virtual

Sacred Heart's annual Open Evening will be an event with a difference this year, as the College presents it online.

The ongoing Covid crisis has meant finding new and alternative ways to deliver education and the events we have previously taken for granted.

With that in mind, Open Evening will this year be brought to you 'virtually'.

The event, which takes place on Thursday evening, will still contain all the elements that have made our Open Evening so popular.

Among the events will be interviews with pupils, a tour of the school, performances, demonstration lessons and presentations from staff and the Headteacher.

## Excited

Headteacher Mr Pye, is excited about the week's events. He said: "Whilst people may not be able to attend our Open Evening this year, that will not stop us from putting on a spectacular event.

"Our staff and students have worked very hard to ensure this event goes ahead and we are all very excited and looking forward to presenting a great look at life within Sacred Heart."

Activities start today with a tour of Lower Site, whilst tomorrow there is a *Meet the Headteacher* event. Tickets for these socially distanced events are limited. If you would like to attend, please e-mail us at; [openevening@sacredheart.sefton.sch.uk](mailto:openevening@sacredheart.sefton.sch.uk)

## News in brief

Today (Monday) is an Inset Day for students. Our virtual Open Evening takes place on Thursday. Further details are outlined on this page. Start times are available on the College website (address below).

## Sacred Heart Catholic College

### Virtual Open Day

[www.sacredheart.sefton.sch.uk](http://www.sacredheart.sefton.sch.uk)

Thursday, September 24

This year, our Open Day will be hosted live on our website  
[www.sacredheart.sefton.sch.uk](http://www.sacredheart.sefton.sch.uk)

Join us for interviews with pupils, a tour of the school, performances, demonstration lessons and presentations from staff and our Headteacher.

The timetable for the event is on our website.

See you there.

We are also offering a number of other open events on site. There are tours of Lower Site on Monday, September 21 and a *Meet The Headteacher* event on Tuesday, September 22. These events will be socially distanced, so places are limited.

If you would like to attend, please e-mail us at;
